

We want to hear from you!

Dear Parents,

Happy new school year! I am so excited to have your child in preschool with us this year! We truly are blessed to have an amazing team that is passionate about educating young minds. To be most effective we are writing to ask you to become a partner with us in your child's education. We will only have your child for a short time, and we want to make a contribution that will put them on the road for lifetime success.

We know teaching begins with children feeling comfortable in the classroom and helping the children come together into a learning community. This community is made up of unique individuals, each with his or her own learning style, strengths, interests, history, hopes, and dreams.

Would you please help us by taking a moment to write about your child. What is your child like? What are his or her interests? What are things you as a parent know that would be important for us to know? What has his or her school experiences been like so far? How do you see your child as a learner and as a person? What are your main goals for your child this year? Please return your letter to the teacher on August 24th along with a family picture that we can keep in our classroom for our "class family" board.

Thank you for your cooperation. We look forward to wonderful partnership in your child's education.

Sincerely,

Sonflower Christian Preschool Teachers
